

Educational Stipends!

As a Ranger Conservation Corps member you have learned about the living environment by, removing invasive plants, planting native species, monitoring wildlife, maintaining trails and educated the public. Your work has helped to improve parks all over the city. In appreciation for your dedication, the Urban Park Rangers are able to offer an Educational Stipend for qualified RCC members the semester.

Qualifications:

- Must have attended 8 or more RCC sessions
- Have an overall participation rating of “GOOD” or better
- Complete the following questionnaire

If you are unsure if you are qualified to receive the stipend, ask your Ranger.

_____	_____	_____	_____	_____
Name		Park		
<hr/>				
_____	_____	_____	_____	_____
Address	Apt	City	State	Zip

What was your favorite part of the program? Why?

Name one thing that you would change about the program. Why?

What is the most important thing you learned during this program?

Do you feel that you can apply these skills outside of RCC? If so, how?
